COUNTY COUNSEL’S IMPARTIAL ANALYSIS OF MEASURE G

ANALYSIS BY THE COUNTY COUNSEL FOR THE COUNTY OF ALAMEDA OF AN ALBANY UNIFIED SCHOOL DISTRICT SPECIAL PARCEL TAX MEASURE

Measure G (“Measure”), an Albany Unified School District (“District”) special parcel tax measure, seeks voter approval to authorize the District to levy a special parcel tax, beginning on July 1, 2024, at the following rates: (1) $0.55 per building square foot on improved parcels, and (2) $25 per unimproved parcel. The tax rate will increase annually by three percent (3%), commencing on July 1, 2025. The special parcel tax will continue until the District’s voters end it.

The District’s voters previously approved a special parcel tax with Measure B in 2020. This Measure, if approved by the District’s voters, will replace Measure B. The existing qualified special tax approved with Measure J in 2009 shall continue to be collected.

If approved, the District will use the revenue for the specific purposes set forth in the full text of the Measure printed in this sample ballot, including, but not limited to: funding for science, math, arts, reading, and language instruction; attracting and retaining teachers and counselors; and school safety. The revenue can only be applied for the purposes outlined in the Measure.

An exemption from the special parcel tax may be granted on any parcel owned by one or more persons who is/are: (a) 65 years of age or older prior to July 1 of the tax year; (b) receiving Supplemental Security Income for a disability, regardless of age; or (c) receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250% of the 2012 federal poverty guidelines. The owner(s) must occupy the parcel as his or her principal place of residence for each exemption.

The Measure contains certain accountability provisions, such as depositing the proceeds in a separate fund. The Measure also requires a report to be filed with the District’s governing board no later than December 31 of each year that the tax is in effect stating: (1) the amount collected and expended in the relevant year, and (2) the status of any projects authorized by the Measure.

A school district has the authority to levy special taxes upon approval by two-thirds of the votes cast on the special tax proposal. (See Cal. Const. Art. XIII A, § 4; Art. XIII C, §2; Cal. Gov’t Code §§ 50075-50077, 50079, & 53722.) If two-thirds of the qualified electors voting on this Measure do not vote for approval, it will fail, the District will not be authorized to levy the special parcel tax.

This Measure is placed on the ballot by the governing board of the District.

DONNA R. ZIEGLER
County Counsel

The above statement is an impartial analysis of Measure G, which is printed in full in this sample ballot pamphlet. If you desire an additional copy of the measure, please call the Elections Official's office at (510) 272-6933 and a copy will be mailed at no cost to you. ARGUMENT IN FAVOR OF MEASURE G
Albany Unified School District
[Word Count: 300 words]

Vote Yes on G to protect local funding for top-notch teachers and excellent local schools.

Albany schools are ranked among the best in the State, thanks in large part to locally controlled funding our schools have relied upon for more than three decades. Measure G renews this funding, continuing our tradition of academic excellence and providing local students with the outstanding education they deserve.

Additionally, Measure G ensures that larger property owners pay their fair share to support our local schools, meaning businesses like Target pay more than single-family homeowners.

We live in one of the most expensive places in the U.S. and local schools are facing major teacher shortages. Measure G will provide competitive compensation to attract and retain the highest quality teachers, so that local educators can keep up as the cost of living continues to rise and local schools can reduce turnover rates, keeping quality teachers in local classrooms.

Yes on G: Keep Albany Schools Strong
- Attract and retain exceptional teachers and counselors
- Protect science, math, arts, reading, and language instruction
- Support music, art, and theater programs
- Maintain small class sizes

Strict Accountability Keeps Measure G Local
- All funds are locally controlled and cannot be taken by the State
- Annual audits ensure all funds are spent as promised
- No funds can be spent on administrators’ salaries
- Senior citizens are eligible for an exemption

With the upcoming closure of Golden Gate Fields, the District could lose more than a half million dollars if the land is transferred to a non-taxable owner. Measure G would help recover this potentially huge loss in local school funding.

Whether or not you have kids in schools, supporting public education is a wise investment in the strength of our community. Please join us in voting Yes on G to keep Albany’s schools and community strong.

Rebuttal to Argument in Favor of Measure G

Vote NO on Measure G.

Albany property owners already pay some of California’s highest parcel taxes. You now pay $1,081.00 per year just to Albany Unified School District.

That’s on top of your regular property tax for Albany USD and school bond debt that won’t be paid off until 2046. Measure G would raise your property taxes even higher.

The facts:

- Measure G is a NEW permanent tax that has no end date. It could last forever.
- Measure G would cost $55.00 per year for every hundred square feet of your home and garage. That’s $550.00 per year for a 1,000 square foot home.
- Even your backyard storage sheds could be taxed.
- Your tax would increase 3 percent every year automatically.

During the “Great Recession” in 2009, Albany Unified School District asked you to pass a temporary emergency parcel tax” of $149 lasting five years. In 2014, voters approved “a temporary, six-year parcel tax of $278/year.” In 2020, voters agreed to a $318 annual parcel tax for six years. AUSD “hooked” you with a supposedly “temporary” tax that they’re tripling and now making permanent. Don’t take their bait.

Measure G really is a “bailout” of Albany Unified School District’s debt. AUSD has debts of $48,391,096.00 Net Pension Liability and $22,005,621.00 of Other Post Employment Benefits, according to a recent Audit Report. They don’t want you to know.

Albany’s school board gave away too much in the past. They recklessly made promises they couldn’t keep. Measure G is Albany Unified School District’s way of making you pay forever for their fiscal irresponsibility.

Vote NO.

Vote NO on Measure G. Stop this “Forever Tax”!

Albany Unified School District has asked you to approve parcel taxes in the past, but this one is different. This one is PERMANENT. It doesn’t have an end or “sunset” date. Measure G could last forever.

The East Bay Times opposes “forever taxes” like Measure G. A Times editorial in June 2020 asserted: “Stop deceiving Bay Area voters on local tax measure costs: Too many government officials keep writing ballot wording to tout benefits and gloss over, or hide, true costs.”

That editorial advised: “Generally, tax increases should not be permanent. Accountability is essential. Voters should get a periodic say on whether they think they’re getting their money’s worth.” You should vote NO on this basis.

Furthermore, the Alameda County Grand Jury in 2021 issued a report titled, “The Need for Accuracy and Impartiality of Ballot Measure Questions.” The Grand Jury warned about “forever taxes”:

“[C]hoosing to describe a permanent tax (i.e., one that does not expire by its own terms) as a tax that continues “until repealed by voters” … or “until ended by voters” … may be logically correct, but it is not transparent.

It is not transparent because it implies that the measure itself contains terms and conditions providing for its repeal, or at least that voters will have an opportunity to repeal the tax, even though no such provision or opportunity exists, or is required or planned, and any such activity would certainly not be initiated by the measure’s proponents.

What possible reason can the measure’s proponents have for phrasing the time period of the tax in this way? A transparent and impartial description of the length of those taxes would state that they continue indefinitely, or that they do not expire, or that they are permanent.”

Vote NO.

Rebuttal to the Argument Against Measure G
Albany Unified School District
[Word Count: 250 words]

The author of the argument against Measure G habitually opposes school ballot measures. Flip through your ballot book and you’ll see he’s opposing virtually every school measure in the County.

Unlike our lone opponent, we live, work, and send our children to school in Albany Unified School District. That’s why we’re proud to be voting Yes on G.

Measure G continues Albany’s tradition of academic excellence by renewing an expiring source of local funding.
For over 30 years, Albany has supported its local schools with local funding that cannot be taken by the State. Measure G renews this funding, protecting Albany schools from painful cuts and teacher layoffs.

If we want local students to succeed, we must continue to attract and retain top teacher talent.
The need for quality teachers will never go away. As the cost of living continues to rise in Albany, we need Measure G to reduce turnover rates and keep excellent teachers local. Without Measure G, our schools will continue to lose top teacher talent to higher paying districts and more affordable communities.

Citizens can repeal Measure G at any time.
If this source of school funding is no longer deemed necessary, Measure G can be repealed at any time by local citizens.

Transparency and accountability ensure all funds stay local.
Measure G is locally controlled, can’t be taken by the state, and is fully dedicated to our local schools. Annual public disclosure of spending and reports to the community are required.

Vote Yes on G to protect what makes Albany great: good schools and great teachers.

WHEREAS, Albany Unified School District ("District") schools are ranked among the best in the State of California ("State") thanks to high-quality teachers and innovative academic programs; and

WHEREAS, parents and community members alike tell us that District schools help to improve the quality of life in our community and protect the value of our homes; and

WHEREAS, we live in one of the most expensive places in the Country, making it hard for Albany teachers to find housing; and

WHEREAS, our teachers struggle to afford to live in the community they serve; and

WHEREAS, additional funding would allow the District to pay a competitive wage, which would help reduce the District's turnover rate and keep quality teachers and staff in our schools; and

WHEREAS, for almost 40 years, District voters have authorized locally controlled parcel tax funding for Albany's schools; and

WHEREAS, a portion of this funding is set to expire, which would result in deep cuts to academic programs; and

WHEREAS, this measure would not be a new tax but would instead replace an existing source of funding approved by voters in 2020 that our schools rely on to attract quality teachers and support core academics; and

WHEREAS, in a job market with major teacher shortages, this measure would help the District to attract and retain high-quality teachers; and

WHEREAS, if approved by voters, funding from this measure could continue to be used to attract and retain exceptional teachers and counselors; protect science, math, arts, reading, and language instruction; support music, art, and theater programs; and maintain small class sizes; and

WHEREAS, all proceeds would be controlled locally and could not be taken away by the State; and

WHEREAS, none of the money raised could be used for administrators' salaries or pensions; and

WHEREAS, mandatory annual audits would help ensure funds are spent as voters intended; and
WHEREAS, senior citizen homeowners would continue to be eligible for an exemption from the cost.

WHEREAS, California Constitution, Article XIII A, section 4 and Government Code sections 50075 et seq. authorizes the District, upon approval of two-thirds of the electorate, to levy qualified special taxes on real property in the District for the purpose of providing quality educational programs in the District and other lawful purposes of the District; and

WHEREAS, in the judgment of this Board, following a public hearing and comment, it is advisable to request that the Alameda County Superintendent of Schools ("Superintendent of Schools") call an election and submit to the voters of the District the question of whether the District shall levy a qualified special tax within the District, for the purpose of raising revenue for the District; and

WHEREAS, pursuant to the Education Code and Elections Code such election may be completely or partially consolidated with any other election held on the same day and in the same territory or territory that is in part the same.

The Albany Unified School District Teacher Retention & Academic Excellence Act

Measure ___
[letter designation to be assigned by Alameda County Registrar of Voters]

FINDINGS

Albany Unified School District ("AUSD") schools are ranked among the best in the State thanks to high-quality teachers and innovative academic programs. Parents and community members alike benefit from strong local schools, which improve the quality of life in the community and protect the value of local homes.

For almost 40 years, AUSD voters have authorized locally controlled parcel tax funding for Albany’s schools. A portion of this funding is set to expire, which could result in deep cuts to academic programs. The Albany Unified School District Teacher Retention & Academic Excellence Act ("the Act") would continue local parcel tax funding for AUSD schools.

The Board recognizes that Albany is one of the most expensive places in the Country, and Albany teachers struggle to find local housing as a result. Additional funding from the Act would allow AUSD to pay a competitive wage, which could help reduce the District's turnover rate and keep quality teachers and staff in local schools.

TERMS

Moneys raised under this Measure shall be authorized to be used only for the following purposes in accordance with priorities established by the Board and to the extent of available funds:

- To attract and retain exceptional teachers and counselors
- To protect science, math, arts, reading and language instruction
- To support music, art, theater, and library programs
- To maintain small class sizes
- To keep schools safe
- To fund technology and up-to-date materials
- To preserve other academic programs, instructional equipment, materials and supplies

No funds will be spent on administrative salaries or benefits.

A. Amount and Basis of Tax

Upon approval of two-thirds of those voting on this Measure, the District shall be authorized to levy an annual qualified special tax on all Parcels of Taxable Real Property, commencing on July 1, 2024. The tax shall be levied on Improved Parcels at the rate of $0.55 per building square foot and at the rate of $25 per Unimproved Parcel. To account for the impact of inflation on the cost of delivering the classroom programs and student services supported by the education parcel tax, the tax rates described above shall be increased annually by three percent (3%), commencing July 1, 2025.

Exhibit B-1
This qualified special tax is estimated to raise $4,800,000 in annual local funding for District schools. The amount of annual local funding raised by this qualified special tax will vary from year-to-year due to changes in the number of parcels subject to the levy, the amount of building square footage on parcels, and annual adjustment.

For purposes of the tax levy, the following definitions shall apply:

"Parcel of Taxable Real Property," is defined as any unit of real property in the District that receives a separate tax bill for property taxes from the Alameda County Treasurer-Tax Collector’s Office ("County Tax Collector"). All public property that is otherwise exempt from or upon which no ad valorem property taxes are levied in any year shall also be exempt from the special tax in such year.

"Building" is defined as any structure having a roof supported by columns or by walls and designed for the shelter or housing of any person or property of any kind. The word "building" includes the word "structure" and encompasses, without limitation, all residential, commercial and industrial structures.

"Improved parcel" is defined as a Parcel of Taxable Real Property on which exists any building.

"Unimproved parcel" is defined as a Parcel of Taxable Real Property on which no building exists.

The District annually shall provide to the County Tax Collector a report indicating the parcel number and amount of tax for each Parcel of Taxable Real Property.

The existing qualified special tax approved by voters as Measure B in 2020 shall cease to be levied after June 30, 2024. This Measure will replace the existing Measure B and the Measure B special tax shall not be collected in any year in which this Measure is collected. In the event this Measure is not approved, the existing Measure B qualified special tax shall continue in effect until its scheduled expiration date.

The existing qualified special tax approved by voters as Measure J in 2009 shall continue to be collected.

B. **Exemptions**

Under procedures adopted by the District, an exemption from payment of the special tax may be granted on any parcel owned by one or more persons who is/are:

1. An individual who will attain 65 years of age prior to July 1 of the tax year and occupying said parcel as his or her principal residence ("Senior Citizen Exemption"); or,

2. Receiving Supplemental Security Income for a disability, regardless of age, and occupying said parcel as his or her principal residence ("SSI Exemption"); or

3. Receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, and occupying said parcel as his or her principal residence ("SSDI Exemption").

Exhibit B-2
Exemptions may be granted based on a one-time application, subject to the District’s right to verify a property owner’s continuing qualification for exemption. Persons who have a current valid exemption from either of the District’s existing parcel taxes shall continue to be exempt from this new tax and shall not be required to reapply.

C. **Claims / Exemption Procedures**

With respect to all general property tax matters within its jurisdiction, the County Tax Collector or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax including any exemptions, the application of the definition of “Parcel of Taxable Real Property” to any parcel(s), the legality or validity of the special tax, or any other disputed matter specific to the application of the special tax, the decisions of the District shall be final and binding.

In determining whether a parcel is an Improved Parcel or Unimproved Parcel and for determining the number of building square footage for levy of the qualified special tax, the District shall refer to the data reported by the Alameda County Assessor’s Office, except in cases of demonstrable error, in which case either the property owner may file a claim with the District for re-computation of the tax or the District will re-compute the tax and provide notice to the owner of the re-computation and the right to appeal in accordance with the procedures established by the District.

The procedures described herein, and any additional procedures established by the Board shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary.

D. **Appropriations Limit**

Pursuant to California Constitution Article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this qualified special tax.

E. **Mandatory Accountability Protections**

1. **Specific Purposes.** The proceeds of the special tax shall be applied only to the specific purposes identified above. The proceeds of the special tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District.

2. **Annual Reports.** No later than December 31 of each year while the tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this Measure. The report may relate to the calendar year, fiscal year, or other appropriate annual period, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board.

F. **Protection of Funding**

Current law forbids any decrease in State or federal funding to the District resulting from the adoption of qualified special tax. However, if any such funding is reduced or affected

Exhibit B-3
because of the adoption of this local funding measure, then the Board may reduce the amount of the special taxes levied as necessary in order to restore such State or federal funding and/or maximize the District's fiscal position for the benefit of the educational program. As a result, whether directly or indirectly, no funding from this measure may be taken away by the State or federal governments.

G.  **Severability**

The Board hereby declares, and the voters by approving this Measure concur, that every section and part of this Measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this Measure by the voters, should any part of the Measure or taxing formula be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the Measure or taxing formula hereof shall remain in full force and effect to the fullest extent allowed by law.
