* Under the Top Two Candidates Open Primary Act, the Secretary of State is required to provide the political party preference history for the preceding 10 years for candidates for voter-nominated offices. The information above was provided by candidates on their Declaration of Candidacy forms. If a candidate provided more than 10 years of political party preference history, that information is not included on this page. If a candidate provided voter registration information outside of California, that information is not included on this page. As of January 2011, candidates who were previously identified as Decline-To-State or DTS are now identified as No Party Preference. If candidates identified themselves as Decline-To-State, DTS, DS, Non-Partisan, or Independent on their Declaration of Candidacy forms, those designations have been changed to “No Party Preference” on this page.
Voter-Nominated Offices

Under the California Constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two vote getters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest vote getters at the primary election.

If one candidate receives more than 50% of the votes cast at the special primary election, he or she will be elected to fill the vacancy and no special general election will be held.

STATE SENATOR
7th State Senate District

SUSAN BONILLA
Occupation: State Legislator/Educator

My education and qualifications are: As a local teacher, Mayor, and County Supervisor, I’ve focused on rising above partisan bickering – working with Democrats and Republicans – to solve problems and deliver results. I have brought fiscally responsible leadership to local and state government, balancing budgets, protecting vital services, and helping local businesses succeed. As Supervisor I took a voluntary pay cut, eliminated wasteful spending, and secured concessions on public employee benefits. In 2010 I ran for the State Assembly to fix the dysfunction in Sacramento and solve the state’s budget crisis with fiscal integrity. In the Legislature, I helped deliver on-time balanced budgets and ushered in fiscally responsible solutions to pay down debt and establish a rainy day budget reserve fund. I also passed groundbreaking legislation reforming and modernizing public education funding – giving local schools and parents more control. I helped make college more affordable, expanded access to affordable health care, cut red tape to promote small business growth, and streamlined regulations to create jobs in high unemployment areas. I believe that politicians who fight and divide to push their own personal agenda, those who will say and do anything to get elected, are part of the problem – not the solution. That’s why I am the only candidate supported by Republicans and Democrats, business and labor, the Democratic Party, and trusted leaders from both parties including George Miller, Mark DeSaulnier, Jerry McNerney, Ellen Tauscher, and Sheriff Greg Ahern. I would be honored to earn your support, and continue delivering bipartisan solutions for you in the California State Legislature. Please visit www.SusanBonilla.com

STEVE GLAZER
Occupation: Mayor/University Trustee

My education and qualifications are: I’m not part of the political establishment. I’m a local Mayor who is a problem solver – not a partisan. My record demonstrates the courage to take a stand against entrenched special interests. I was the first elected official to oppose the BART strike and support a permanent ban on transit strikes, like in New York and San Francisco. I’m a father of two daughters who have gone through our public schools. We need education policies that put students first and allow local school boards to ensure quality teaching in classrooms regardless of seniority. I support pension reform that creates a sustainable financial model and ends pension spiking. We need to prioritize road improvements; I oppose high-speed rail without a sound financial plan because it drains money from local transportation needs. I’m fiscally conservative. As a local elected official and Mayor, I balanced 10 straight budgets without ever taking a salary. As Trustee of the 23-campus California State University system, I fought for affordable and accountable higher education. I oppose the proposed Delta tunnels. Our legislators exercise poor financial discipline that contributes to billion dollar deficits and tax increases. They use a loophole so they can receive tax-free income for being in Sacramento on weekends and holidays even when they are not there. It’s time for smart priorities that focus on education, job creation, the environment and caring for those in need without new taxes. Please take a stand with me. Vote!
